OTHER MEMBERSHIP LEVELS

After your First-Time Parent Membership expires, there are several membership levels to select from in order to keep, and even expand your member benefits! All memberships listed below are year-long, and expire at the end of the month a year after purchase.

- **Dual – \$90:** 2 named individuals. No change in member benefits
- **Family – \$125:** 4 named individuals. Reciprocal admission benefits that include free general admission to hundreds of science and technology museums, and 50% off admission at children's museums around the country. One (1) free one-time-use guest pass good for up to 4 people.
- **Family Plus – \$150:** 6 named individuals. Reciprocal admission benefits that include free general admission to hundreds of science and technology museums, and 50% off admission at children's museums around the country. Two (2) free one-time-use guest passes good for up to 4 people.
- **Family Access – \$10-50:** Subsidized memberships available to qualifying families. See below for more details.
- **Donor Level – \$250+:** Philanthropic gifts support exciting exhibits, education and our Access programs. Gifts are tax-deductible and include Family Plus membership benefits.

FAMILY ACCESS

Families that qualify can purchase a subsidized museum membership. This program is made possible by community support and contributions from members. We no longer require documentation to register as a Family Access member.
