

Turn your IRA Rollover into Charitable Giving

Give now to support discovery learning and creative play. For the first time in years, retirees won't have to wait for Congress to renew a valuable tax break for charitably inclined IRA owners. A permanent extension of the IRA charitable rollover bill passed by Congress last year now makes it possible to give from your individual retirement account (IRA) every year, free from federal tax. **Individuals 70½ and older can donate up to \$100,000 directly to charity.**

IRA Charitable Rollover

Your gift now will support Madison Children's Museum as a welcoming environment to support families to nurture their children's creativity and curiosity.

If you'd like to initiate a gift to Madison Children's Museum through your IRA before 2016 ends, **please act now** in order to allow enough time to process your gift.
