

Inventors Camp

Monday–Friday, August 3–7, 9 a.m.–1 p.m.

Become a Research and Development innovator! Learn about the tools of the trade that are used in the research and development of the new and improved products that we use every day, then design and make a prototype of your very own creation.

Camp Instructors:

Tim Dreyer, MCM Possibleopolis Manager; Erin Hoag, MCM Local Treasures Manager;
Kate Nikles, MCM Summer Camp Intern
