Madison Children's Museum is unique among family resources in Dane County. The museum fosters family and community connections and provides a place where every child can learn through play in a hands-on, interactive environment.

Madison Children's Museum's Education Department provides drop-in programs, guided field trips, classes, workshops, and camps for the museum's diverse audience groups, including children, parents, grandparents, school groups, social service agencies, teachers, and child care providers.

### Job qualifications:

This internship provides an opportunity to develop and present arts programming to children and families. The art studio intern will assist the art studio manager and staff in planning and presenting high quality interactive art experiences to visitors of all ages, as well as assisting with installations, prep work and other tasks as assigned. Interns will be provided with work space, art materials and mentoring. Student artists working in all disciplines, Art Education and Art Therapy students are all encouraged to apply. Our art studio is equipped with basic materials and tools for many art disciplines and in addition includes facilities for ceramics and printmaking. 10-15 hours per week is required for this position.

MCM is an Equal Opportunity Employer.
