In Moldavia, as in Poland, children playing hopscotch imagine they are hopping through the grades in school. The puck is kicked into each box instead of being picked up.

### Instructions:

1. Toss the puck into box 1. Hop into box 1. With your hopping foot, kick the puck into box 2, then 3, and all the way to box 10 and out of the pattern.
2. Toss the puck into box 2. Hop into box 1. Hop into box 2, and kick the puck into box 3, and 4, and all the way to 10 and out as you did earlier.
3. Keep going in the same way until you have tossed the puck into box 10.
4. For the first exam, toss the puck into box 1. Hop into box 1, and kick the puck into the boxes in the order shown in the drawings: 9, 3, 7, 5, 6, 4, 8, 2, 10, and out (as you follow the puck).
